

A photograph of a rustic wooden table decorated for a special occasion. In the center, a large bouquet of pink roses and blue hydrangeas sits in a blue and white patterned vase. To the left, a small framed photo of a couple is propped up. To the right, a silver vase holds a small pink flower, and a white 'LOVE' sign is visible. A wooden box filled with pink and white daisies sits in front of the table. The background is a bright, out-of-focus window with white frames.
